

India

Practice saying
“India” and spelling
“I-n-d-i-a”

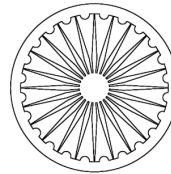

Purchase a globe or map of the world and find **India** on it (use the minimap to help locate it)

Search “**India** for Kids” in Youtube and watch a few of the videos. Pause and explain the videos as needed.

Color the flag.
Google “flag of **India**”
to find the colors.

Scan the QR code to access the CIA Factbook. Highlight a few interesting facts for kids. For example, show them the area comparison map, play the major language sample(s), and compare the population to that of the United States. **Be sure to highlight the religions and percentage of Christians.**

Google search “9 Things You Should Know About Christianity in India” and read the article from The Gospel Coalition. Use it to guide your prayers for India.
