

Philippines

Practice saying
“**Philippines**” and spelling
“P-h-i-l-i-p-p-i-n-e-s”

Purchase a globe or map of the world and find **the Philippines** on it (use the minimap to help locate it).

Search “**Philippines** for Kids” in Youtube and watch a few of the videos. Pause and explain the videos as needed.

Color the flag.
Google “flag of **Philippines**” to find the colors.

<https://worldflags.net/coloring-pages>

Scan the QR code to access the CIA Factbook. Highlight a few interesting facts for kids. For example, show them the area comparison map, play the major language sample(s), and compare the population to that of the United States. **Be sure to highlight the religions and percentage of Christians.**

Google search “**The Philippines: Christian, or Not?**” and read the article from Crossway.org. Use it to guide your prayers for the **Philippines**.
